## No. 09-2025

Please be advised that our **tee time reservation system is currently experiencing intermittent technical issues with the SMS messaging service.** This may result in **delayed responses or, in some cases, no reply to tee time booking requests at all.** The issue appears to be recurring due to SMS-related limitations from the telecom providers and could potentially be a long-term concern for our system.

Given this, we strongly recommend that members **register and reserve tee time slots via Viber** instead of SMS to ensure a smoother and more reliable booking process.

We apologize for any inconvenience this may have caused. Should you have any concerns or require further clarification, please contact the **Golf Office** at **0917-884-6810** or **(02) 8982-2000, loc. 2241 or 2244.**

Thank you for your understanding and continued support.
