

CLUB ADVISORY

No. 19-2025

Please expect heavy traffic along Molino-Paliparan Road and Jose Abad Santos Intersection due to road reblocking being done by the City of Dasmariñas and the Department of Public Works and Highways, which is **expected to be finished by the end of September 2025.**

We advise our members and guests to **take alternative route.** Those **traveling from Daang Hari** are encouraged to take **Villar Avenue to use The Orchard Residential Gate 5** going to the Club.

Thank you, and please be guided.
