

CLUB ADVISORY

No. 28-2025

As part of the Club's campaign to promote **better understanding and observance of the game**, efforts are being made to strengthen golf knowledge by encouraging familiarity with the **Rules of Golf as set by the R&A**.

All players are reminded to **observe these official rules and golf etiquette while on the course** to ensure fairness, consistency, and respect for the spirit of the game.

Scan the QR code below to access the full R&A Rules of Golf:

A solid grasp of the rules not only **improves play** but also **deepens appreciation for the game**. Let's continue to enjoy golf the way it was meant to be played—**fair, respectful, and fun for all**.

Thank you.

The Management
