

CLUB ADVISORY

No. 40-2025

We are pleased to inform you about the upcoming **opening of our new EV Charging Station in partnership with AC Mobility**, located near the PWD parking slot at the main parking area. The station is set to **open on August 1, 2025**, providing a convenient option for electric vehicle owners.

To use the charging station, please **download first the ERVO app**, which accepts payment via GCash, credit card, or AC Mobility membership credits. **Kindly observe the following safety precautions:**

1. Charger adapters are **NOT** allowed.
2. **Do not use** charger when on back-up (generator) power.
3. **No overstaying or parking.** Vehicles must vacate slot after charging.

We appreciate everyone's cooperation in maintaining a safe and efficient charging environment for all users.

For more questions, **please call 0915-627-4886 via Viber.** We will be happy to assist you.

Thank you.
