VI. FORMAT:

- **2-Person Team Stroke Play competition using the Full Scramble format.**

Mechanics of Play of Full Scramble Format:

Both players on the team may hit a tee shot and then select the shot/ball position they prefer. Both partners then play their second shots from the selected spot by placing a ball. After the second shot, the partners shall again choose the better ball position from which they would like to play their next shot. This procedure is repeated until the team holes out.

- **Procedure for playing a ball:**

The selected ball may be marked until both players have played their shots or until the second player has placed their ball in play.

- **Outside the green**, partners must play (place or drop) their ball **within one scorecard length** of the selected ball position, in the **same condition**, not nearer the hole, and play from that spot.
- **On the green**, partners must place their balls within **one putter-head length** of the selected ball/spot, and not nearer to the hole. Players are cautioned not to putt out unless their partner has already played their shot/putt; otherwise, the partner will lose his/her chance to make his/her shot/putt.
- **The same condition means the same area of the course** – If the selected ball/shot is to be played from a penalty area, both balls must be placed in the same area. If the selected ball lies in the "general area," both balls must be placed also in the "general area". If the selected ball lies in the bunker, both balls must be placed and played from the same bunker.
