

CLUB ADVISORY

No. 67-2025

We would like to inform our members that during the regular Board of Directors meeting held on September 30, 2025, the following resolutions were approved in line with the Club's efforts to maintain high-quality facilities and services while ensuring financial sustainability. Accordingly, Management explored alternative revenue measures that would allow the Club to **sustain and improve facilities and services without needing to assess members or increase monthly dues.**

As part of this review, a comparative study of golf cart rental fees across reputable golf clubs within Cavite and nearby southern golf clubs showed that the Club's rates remain among the lowest in the market. While this has long benefited our members, rising cart acquisition costs due to inflation and peso devaluation, and annual maintenance expenses have placed increasing pressure on the Club.

To responsibly address these operational realities, the Board has approved a modest adjustment of **One Hundred Pesos (PHP 100.00)** to the golf cart rental fee, **effective January 01, 2026.** The updated golf cart rental rates are as follows:

Category	Rate
Member	₱ 800.00
Senior	₱ 700.00
Guest	₱ 1,000.00

Additionally, a comparative review of practice range fees within the same benchmark group showed that the Club's Practice Range rates have likewise remained below the prevailing market average. A modest increase of **One Hundred Pesos (PHP 100.00)** per category will help the Club manage rising operational costs, support plans for future facilities, and enhance the member experience at the practice range, while keeping fees reasonable. The updated practice range fees, **effective January 1, 2026,** are as follows:

Category	Rate per Hour
Member	₱ 250.00
Senior	₱ 200.00
Guest	₱ 450.00

Lastly, in light of rising inflation, which have significantly affected the livelihood and cost of living of our caddies, as well as the recent tranches of DOLE-mandated minimum wage increases the Board, has approved a corresponding adjustment of **One Hundred Pesos (PHP 100.00)** per category, **effective January 1, 2026**. The updated rates are as follows:

Category	18-Hole Round	9-Hole Round
Trainee	₱ 600.00	₱ 400.00
Regular	₱ 700.00	₱ 450.00
Class A	₱ 800.00	₱ 500.00
For Foreign Visitor and Tourist	₱ 800.00	₱ 600.00
For Private Tournament	₱ 800.00	₱ 500.00

These adjusted rates remain aligned with, and in many cases still lower than, fees charged by comparable golf clubs. **Please note that the entire increase in caddie fees will directly inure to the benefit of the caddies.**

We assure our members that these adjustments were carefully evaluated to minimize their impact while sustaining the upkeep and quality of our facilities. We remain fully committed to maintaining the level of service and convenience that our members expect and deserve.

We sincerely appreciate your understanding and continued support as we take steps to preserve and enhance the Club that we all enjoy. Should you have any questions or require further clarification, please feel free to visit our Golf Office.

Thank you.

The Board
