

# CLUB ADVISORY

## No. 24-2026

### **Pass it on, Play it forward: Junior Golf Equipment Drive**

The Club is committed to growing the game by providing young golfers with opportunities to learn, practice, and develop their passion for golf.

If you have old or unused golf clubs, consider donating them to our Junior Golf Program. Your pre-loved equipment can help inspire and support the next generation of golfers.

#### **WE GLADLY ACCEPT:**

- ✓ Complete or partial sets of golf clubs
- ✓ Individual clubs (drivers, irons, wedges, putters, etc.)
- ✓ Golf bags and usable accessories

Donations may be dropped off at the Golf or Membership Office.

Thank you for supporting Junior Golf at The Orchard Golf & Country Club and helping shape the future of the game.
