

CLUB ADVISORY

No. 34-2026

Dear Members,

To ensure a comfortable, safe, and enjoyable environment for everyone, the Club would like to issue a final reminder regarding our No Smoking/Vaping Policy. Despite ongoing reminders from our Security Personnel, Marshal, and Customer Service Team, we continue to observe instances of non-compliance across various areas of the Club.

To protect the health and safety of all members, guests, and staff from secondhand smoke, we are introducing a formal enforcement procedure. **Effective Monday, August 10, 2026**, our dedicated Security Personnel and Marshal will actively monitor compliance across all grounds. Please note that this policy strictly applies to all smoking and vaping products, including cigarettes, vapes, e-cigarettes, and e-pipes, under the following progressive steps:

NO SMOKING/VAPING POLICY	
First offense	Verbal warning with a written reminder from the Management
Second offense	Final verbal warning and second written reminder from the Management
Third offense	Violation shall undergo formal review and may warrant the suspension of membership privileges, in accordance with the Club By-laws

Smoking is only allowed in the following Designated Smoking/Vaping Areas:

- ✓ **In front of Men's Locker Room**
- ✓ **Beside Caddies Waiting Area near the Bag Drop**
- ✓ **Fishing Deck at the Practice Range**
- ✓ **Parking Area at the Sports Complex**

We thank you for your full cooperation and understanding in adhering to these guidelines.
